Two juniors: Student helpers | At the return desk

1 Write two short sentences for the next helper. Name the group first, then use They. Include the role and place.

2 Underline the pronoun and circle the matching form of be in your second sentence.

Possible response

Two juniors are at the return desk. They are student helpers.

Accept and check

- Accept role then place or place then role, provided the name comes before the clear pronoun.
- They takes are; underline They and circle are in sentence 2.
- Accept accurate shorter wording. Keep the stated group, role and place; do not invent a person.

Brief feedback

- Check which name They refers to.
- Read They are together.
